Dear Dudley,

As a 2003 Committee Chairperson of the Air, Surface and Transportation committee, we would like an article written by you about your committee accomplishments and recognition of your committee members. The reason I need this information, is because the Jacksonville Daily Progress is putting together the Annual Banquet Insert. The insert will be included in the paper and distributed prior to the banquet and will also be available at the banquet.

The 79th Annual Banquet will be Thursday, January 29, 2004 beginning at 6:30 p.m. at the Cherokee Country Club on Highway 79. A reception will be held at the Country Club prior to the banquet beginning at 5:30 p.m.

Please take a moment to write the article in 'your words' so the information will be included in the banquet insert. Many projects were completed because of the Chairmen's leadership and it is very important to highlight the accomplishments of 2003. I will need the information by Tuesday, January 6th. The information can be faxed 903/586-6944 or emailed to laura@jacksonvilletexas.com. If you have any questions, please call me at 903/586-2217.

Dudley:

Thank you for broadcasting the Region 21 Marching Band Contest this past Saturday. With the FCC claiming that too many radio stations are not serving the public interest, you have gone far above the challenge.

Whether the high school band performances you broadcast had 50 members or 250 members, each of their communities have great pride in their local band programs. The school administrators, community leaders and, of course, the parents support these programs with thousands of dollars each year. Thanks for your support in sharing with thousands of listeners the excitement of competition. Moms and dads, aunts and uncles—and don't forget those grandparents—all those who cannot travel to the competition, support your efforts to bring this event to your listening audience.

Pete Kunkel and I have had the pleasure of inaugurating this broadcast fifteen years ago. It is our intent to positively support the high school band programs of our area and encourage all students to strive to do their best and always take pride in their efforts.

Thank you again for your support of our efforts and be sure to place this public service broadcast in your Public File.

Sincerely,

Thank you for the part you played in making the Humane Society's 4th annual *Pets in the Park* fund-raiser April 13th such a great success.

It appeared that everyone had a wonderful time - animals and humans alike. It's estimated that approximately 2,000 people and approximately 750 animals, many of whom were alumni of the Humane Society's animal shelter, were on hand to enjoy the beauty of Bergfeld Park and the great weather. There were big dogs, little dogs, best dressed dogs, attractively challenged dogs, dogs weighing from ½ pound to 200 pounds. It was a sight to be seen - a bulldog in a ballerina tutu; a greyhound in Hawaiian attire; a Dalmatian dressed in red, white and blue; a dog in a bumblebee outfit - you wouldn't have believed your eyes.

Due to the efforts of everyone involved, *Pets in the Park* raised \$7,200 and found homes for two puppies from the Humane Society's animal shelter. Proceeds from this annual event will be used to help defray operating expenses for the Humane Society's animal shelter, which receives approximately 12,000 dogs and cats a year. Funding for a not for profit organization is always a challenge; therefore fund-raisers such as *Pets In The Park* are very important to our continued growth.

Again, thank you for your support - we look forward to working with you at *Pets in the Park* 2003.

Debbie,

I was reading the paper this weekend, and saw the ad about your new station!
So, I've been listening all day and I love it~

Do you remember me mentioning how nice it would be if Tyler had a station like this last year when we talked about your renewal?

Dear Mr. Waller,

This is the best sound in East Texas. When I was living in Dallas I was a Oasis listener. I love Smooth Jazz and your new station has it. It even sounds better than Dallas. Thank goodness I read Friday's paper and saw your ad. I called my Mother in Longview early this morning to tell her and she was so excited. We will be regular listeners. I will tell my friends in Tyler, also.

Congratulations on this new station. I am switching from your 106.5 to 102.3. I have been listening to Smooth Jazz for about 15 years (The Oasis in Dallas and buying CD's). I live in Tyler and I feel like we are a little Dallas and I like that.

Thank you,

I'VE BEEN IN RADIO 37 YEARS AND USED TO WORK AT KYKX UNDER THE RUSTY REYNOLDS REGIME AS "JOHN TANNER". KEN WAS A PART TIMER THEN. GARY MASON WORKED AFTERNOONS. IT WAS A GREAT TIME TO BE THERE. I WENT FROM THERE TO SHREVEPORT TO KWKH AND EVENTUALLY TO NASHVILLE TO WSIX THE BIG 98. I AM VERY PROUD TO HAVE WORKED FOR A STATION THAT HAS KEPT UP THE QUALITY OF BROADCASTING THAT KYKX HAS. IT MAKES ME PROUD WHEN I LISTEN. SO MANY STATIONS HAVE LOST THEIR FUN AND FRIENDSHIP IDEA OF WHAT RADIO IS AND CAN BE. KYKX HAS SEEMED TO HAVE WHAT IT TAKES TO ACHIEVE THIS STATUS. KEN SOUNDS GREAT AND PERSONABLE. KEEP UP THE GOOD WORK, sincerely Larry Rust aka 'maddawg'.

I don't know if I have the right person or not but I was just wanting to say that the new KLJT Smooth Jazz 102.3 has been long awaited and badly needed in this area. My favorite music is jazz, and it is great to know that when I get in my truck I will be listening to great music all the time. Before this came along the only jazz that I would get to hear would be on one of my CD's or when I go to Dallas. (the Oasis)
I am telling all of my friends and fellow musician friends about this and I just wanted to say THANK YOU, THANK YOU, THANK YOU.....and you guys are doing a fantastic job !!!

A new and happy listener,
James Gooch

Dear Mr. Waller,

I'm probably the last person on earth to sign any kind of petition, much less start one, but taking away the oldies Channel has really touched a chord in me that makes me want to be heard.

I spoke with you today, by phone, and you seem to be a very nice and caring man. I explained that I don't blame you for wanting to reach the Spanish speaking population - it's money for sure - but please don't take away from the "Baby Boomers" & others of this region the entertainment we so love.

I think you may have misunderstood how many people really listen and enjoy KFRO. As I told you, I don't know the management part of your business, but I do know that I've sat in my car in front of my place of employment to hear the end of a

birthday prank call or a
joke & laughed out loud
with only me to hear it.
then gone in with a smile
on my face! The oldies
channel keeps me company!
It's fun to dance around my
kitchen or sing along, heaven
forgive me, when a great song
comes on from the past.

And please don't think I'm a silly
old lady because my youngest
child is a 22 yr. old college
student & he loves it too. The
people I work with range in age
from 27 to 60. The "oldies
channel" knows no boundaries

When you're good, you're
good !!

Life isn't always about MONEY.
We need to smile more, sing
more, dance more, laugh
more and enjoy what we
have more.

WE NEED THE OLDIES CHANNEL

Dolores Graves

Dear Mr. Reininger:

What a week, but the 2003 Patriot Classic is over. The largest Classic event ever, this year's Classic events expanded to include the Patriot Tennis Classic, featuring professional tennis player Stephanie Mabry, the now famous Texas "Shootout" Barbecue and Auction, featuring Tanya Sims and the Bobcats, the Patriot Scholarship Concert, featuring Marcia Ball, a full week of Hole in One qualifying rounds, the Hole in One Finals on Sunday, the Patriot Classic Corporate Shootout, the players Party, all leading up to Monday's Patriot Golf Classic, featuring the Major Applewhite luncheon. Nine days of nonstop action and fun - all to raise academic scholarship funds. The tally is not in, but the expectation is that through the efforts of a lot of people, UT Tyler will be able to offer 125 academic scholarships to worthy students who might not otherwise have been able to attend UT Tyler.

Thank you for the significant role you played in making the first Patriot Tennis Classic a tremendous success. UT Tyler is blessed in many ways, and we count you among those blessings.

I just wanted to write and thank you for running a employment PSA for us. We received many calls and inquires. Out of those inquires, we have hired a person that I think will do an excellent job for us. I feel that we received more inquires from the PSA than we would have by advertising in the paper. So for that I again send my thanks.

None of this would have happened, however, without the creativity and hard work of Eileen O'Rourke. She is an asset to our organization as a member of our Board of Directors. I enjoy working with her as we strive to move this organization forward.

Dear Mr. Kent: *Larry:*

On behalf of Lori, Grace & Scott Knight, Suzanne Curtis, the entire Great Strides committee and the Cystic Fibrosis (CF) Foundation, I would like to take a moment and thank you for your very generous support of the 2001 Riders West Great Strides Walk-A-Thon benefiting cystic fibrosis. Your generous contribution is a valuable and much-appreciated addition to our fund raising efforts.

It is heartwarming to be a part of a community that is so warm and giving, giving of not only their time but of their dollars. To be able to report to some surrounding organizations inside and outside of the Cystic Fibrosis Foundation of what support all of you have given in helping to find a cure for cystic fibrosis is unbelievable. The love and compassion that you share with others does not go unnoticed.

As you may know, all proceeds from the Tyler Great Strides benefit the Cystic Fibrosis Foundation. Cystic fibrosis takes more lives every year than multiple sclerosis, diabetes and, muscular dystrophy combined. The defective gene that causes CF was found in 1989, and in 1993 human gene therapy began. If current tests are successful, the cure for CF is within our grasp!

We are happy to report that the Cystic Fibrosis Foundation has received recognition in *SmartMoney*, the magazine of *The Wall Street Journal* as one of "17 charities that won't waste your money." For the second year in a row, the CF Foundation has been cited for its efficiency. We are extraordinarily proud of this accomplishment and know that this efficiency will continue to pay big dividends in terms of medical advances.

Thank you so much again for giving the 30,000 children and young adults with CF added hope for a cure within their lifetime. It is the generosity of people like you that will help us make that final step toward our goal: finding a cure.

Warmest regards,

Dear Craig,

On behalf of the Lone Star Chapter of the National MS Society, I would like to extend heartfelt thanks for your incredible support of The MS Walk in Tyler on Saturday, October 13, 2001.

Even though the rains dampened the day in Tyler, the fall series walk events in Tyler, Katy, Kemah, The Woodlands and Austin attracted more than 2400 people and raised more than \$200,000 to support education, advocacy, research and programs that make a difference in the lives of more than 11,600 Texans with MS in the Lone Star Chapter. This is more than double the amount we raised in 2000!! We couldn't have done this without you.

Helping us to promote the event and having your station and The MS Walk start/finish line helped raised spirits of wet walkers, volunteers and staff! Thank you for your continuous support, and thanks again for helping to make The MS Walk such a tremendous success! Dear Mr. Kent:

Thank you for making the community a priority and partnering with PATH this year to help the children of Smith County. Clear Channel Communications commitment to the Coats for kids program was unmistakable. PATH received countless phone calls responding to the PSA they heard on your stations.

Because of Clear Channel, in just six hours, over 1,600 coats were distributed the first two Saturday's in November. Even more, Good Samaritan has reported that each day still more kids are and will continue to get the much-needed warmth of a winter coat.

On behalf of the children in our community and everyone involved in the Coats for Kids program, I want to thank you for your tireless efforts to ensure no child goes without a coat during the winter months.

Please extend our heart-felt thanks to everyone that helped.

Dear Mr. Reininger:

Please allow me to thank you for your financial contribution to the Azalea Orthopedic Challenger Tennis Tournament. In spite of cool temperatures and rain, the event was a tremendous success. The Tyler tennis community saw some truly magnificent tennis played all week and the visiting pros received a good dose of East Texas hospitality!

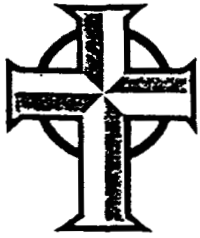

All of us at The University of Texas at Tyler are thankful for your generosity and involvement in this great event and hope you enjoyed it as much as we did!

Sincerely,

Dear Steve:

On behalf of Boomtown Hotel & Casino, we would like to thank you for your participation in the first Boomfest Celebration! The event would not have been possible without your hard work and generosity.

Boomfest was a smash hit! With your help, we raised more than \$5,000 for the American Cancer Society. The ACS has estimated that in this year alone, over 130,000 people in Louisiana, Oklahoma, Texas and Arkansas will be diagnosed with life-threatening cancers. With your help, we have made a difference.

Steve, thank you again! We look forward to working with KNUE in the future.

Kindest regards,

Sean Collins

Dear Mr. Joos,

Hello again! I just wanted to send you a quick note to inform you that I am no longer Executive Director at Big Brothers Big Sisters of Tyler. I resigned on 9/5/02 effective 12/31, and the Board President made the decision to accept my resignation effective 9/6.

I cannot thank you enough for your assistance and graciousness during my time at BBBS. Your generosity in helping local non-profit organizations is making a difference that I know you cannot see, but please know it is happening.

I do need to ask that the PSA I recorded in July not be played in the future. Again, thank you for everything. I am certain our paths will cross again in the future.

Sincerely,

Julie Maberry

Dear Steve,

The board, multidisciplinary team, volunteers, and the children join me in thanking you and KNUE, Mix 93.1, KISS, 96X for your continued support of the Children's Advocacy Center of Smith County (CAC) as a Diamond Media Sponsor. On their behalf, I extend to you a heartfelt thank you for your generous donation of air-time valued at \$10,000 to the 2002 "Bids for Kids", a newspaper silent auction, benefitting the center.

Bubba, age 3, is just one of the 473 children so far this year who has left his handprint on our hearts. Your generosity enables our center to continue conducting child abuse investigations and providing services in a child-friendly setting to children like Bubba. The Advocacy Center will not lose sight of your care, concern, and assistance as the CAC Team strives to give back to these fragile children the innocence of childhood and assure a future for them as well! Our efforts would be futile without your helping hand, and we will remain mindful of the trust you have placed in us.

Steve, we wish you peace and happiness for the healing your gifts have bestowed on the life of a child.

Sincerely,

Carol Langston

Dear Steve,

So very much!

You are just too wonderful
for allowing our organization to see
again take PSA's and see them
for us! Since they began running, we
matched 5 big brothers! That
has been 10% of the boys on the

Dear Steve:

Thank you so much for your sponsorship and support for the 25th Anniversary Great Texas Balloon Race. Without the financial support from companies like Clear Channel Communications, the Great Texas Balloon Race would not be possible.

I hope that your association with the Great Texas Balloon Race is as meaningful to you as it is to the race. Your generous support helps make this event so great!

I can't tell you how many times people commented to me how much they were hearing about the event on the radio. Getting the other out of town markets involved was a real benefit.

My thanks to Brian and Robert who were available all weekend and made sure everything that was needed was taken care of.

To you and *all* your staff, THANK YOU VERY MUCH.

Sincerely,

Elaine Reynolds
